

Leadership Track: Preparing Future Black Business Leaders

Apply to our **Leadership Track** for an opportunity to participate in a cohort-based model that offers access to accomplished business leaders, tools for career readiness, and strategies for career advancement. Fill your toolbox with the keys for success!

In addition to free NABA Inc., IMA® (Institute of Management Accountants), and CalCPA (California Society of CPAs) membership, key benefits of this track include:

- Tailored leadership development plan with access to instructional resources and courses
- NABA Inc., IMA, CalCPA, and Accounting+ resources to develop your leadership skills and aid in your educational journey
- Exposure to students, faculty, and influential accounting and finance leaders
- Access to IMA's CareerDriver™ tool to assess current skills and competencies and fill gaps for the future
- Attendance at a *Diversifying Accountancy Pipeline in California Student and Faculty Symposium*

Applicants for the Leadership Track must be Black students enrolled in an accredited 4-year college or university in the state of California majoring in accounting or finance.
